Dear Middle Creek High School Band parent;

Our departmental mottos, **Excellence is Standard, Not Our Goal** and **Professionalism is an Attitude** will provide us with a daily reminder to strive to do our group and personal best. With this in mind we have decided to go with a tux outfit for a professional look for our concerts this year. We will be graded on "overall look" at the State Concert Band Festival in March. Uniformity is important. With this in mind, here is the outfit for both the girls and boys in the band.
The band students who need this outfit have been measured.

Girls- long black tuxedo skirt

White wing $\frac{1}{4}$ " pleat front shirt with studs & cufflinks

Black bow tie and cummerbund

The total cost of all these pieces including tax is **\$65.27**

Boys- Tuxedo trousers; adjustable waist (fits 3 waist sizes)

White wing $\frac{1}{4}$ " pleat front shirt & studs/cufflinks

Black bow tie and cummerbund

The total cost of all these pieces including tax is **\$74.90**

Girls should wear a nice dress shoe. A plain black pump with a 2" heel is the standard footwear. Boys should wear black dress shoes and black socks. These shoes can be purchased inexpensively at any local department store or bargain shoe store. Boys can wear their polished band shoes. Girls can wear nice dress shoes if they have them. Not higher than the 2" heel!

The cost of this outfit is payable upon the receipt of this letter.

Please make checks payable to Savvi Formalwear. The outfits will be here before the Dec. 14 concert and will be given to your student on return of this **form and the money.**
