Minutes

Meeting was called to order by Amy Woynicz

Minutes from the last meeting were read and a motion to approve was made by Mark Iasiello and a second was made my Scott Shellabarger.

Amy Woynicz welcomed all new band parents and introduced the Band Booster Board for 2011/2012. The chair heads of each committee were introduced with an explanation of each committee.

Information was shared about Fair Share and the spring band trip. The band trip is optional and will not be covered by Fair Share dues.

Mark Iasiello presented information on the upcoming golf tournament. As of the meeting there were about 50 people signed up to participate.

All parents were encouraged to sign up for at least one fund raiser. When the fundraiser dates are decided a calendar will be sent to parents.

The new Uniform jacket was presented to the boosters. We were still waiting to hear from the county as to how much money we would be getting to go toward the new uniforms. It could be as much as \$15,000.

Mr. Enloe asked parents to call the band room if their child is not going to be at a practice. We need to keep track of all of the students and if they just don't show up without calling there maybe concern that they have had an accident on the way to practice. Please call the band room at 919-773-3888. Practices are from 6 p.m. to 9 p.m. Students should arrive no later than 5:30 to 5:45 and be in the place and ready to start by 6:00 p.m.

Parking on game day is to be in the front parking lot unless you as a parent are chaperoning and then you will need to school badge to park in the lower part of the community center parking. Chaperones will also need their badge to get into the game.

August 13 will be a car wash at McDonalds at Mill Pond shopping center. All students are encouraged to sign up to help. Parents are needed that day at the playing field to help get the concession stand and field ready for the first game.

The meeting ended with parents signing up with all the various committees represented.
